Verse 1

A   E/A   F#m/A   E/A
I can't fight this feeling any longer,
     Bm   F#/Bb   Esus   E
And yet I'm still afraid to let it flow.
      A   E/G#   Em/G   F#
What started out as friendship has grown stronger.
        Bm   A/C#   D   Esus   E
I only wish I had the strength to let it show.

Verse 2

A   E/A   F#m/A   E/A
I tell myself that I can't hold out forever.
     Bm   F#/Bb   Esus   E
I say there is no reason for my fear,
      A   E/G#   Em/G   F#
Cause I feel so secure when we're together.
        Bm   A/C#   D   Esus E
You give my life direction, you make everything so clear.

PreChorus

       D   C#m
And even as I wander, I'm keeping you in sight.
        D   A   E
You're a candle in the window on a cold, dark winter's night.
        D   E   F#m   Esus E   D
And I'm getting closer than I ever thought I might.

Chorus 1

                     A   Bm   D
And I can't fight this feeling anymore.
                       A   Bm   D
I've forgotten what I started fighting for.
                     A   Bm
It's time to bring this ship into the shore,
      C#m   D   E^{sus} E   D
And throw away the oars forever.

Chorus 2

                     A   Bm   D
And I can't fight this feeling anymore.
                       A   Bm   D
I've forgotten what I started fighting for.
                   A   Bm
And if I have to crawl upon the floor,
      C#m   D   E^{sus} E
Come crashing through your door, Baby I can't fight this feeling anymore.
