## Verse 1

A                    D                    E                    A  
Headin' up to San Francisco, for the Labor Day weekend show,  
A                    D                    E                    A  
I've got my hush-puppies on, I guess I never was meant for glitter rock& roll.  
Bm                    D                    E  
And honey I didn't know, that I'd be missin' you so.

## Chorus

D                    A                    D                    E  
Come Monday It'll be all right, Come Monday I'll be holding you tight.  
A                    C#m                    D                    E  
I spent four lonely days in a brown L.A. haze  
D                    E                    A  
and I just want you back by my side.

## Verse 2

A                    D                    E                    A  
Yes it's been quite a summer, rent-a-cars and west bound trains.  
A                    D                    E                    A  
And now you're off on vacation, somethin' you tried to explain.  
Bm                    D                    E  
And darlin' I love you so that's the reason I just let you go.

## Chorus

D                    A                    D                    E  
Come Monday It'll be all right, Come Monday I'll be holding you tight.  
A                    C#m                    D                    E  
I spent four lonely days in a brown L.A. haze  
D                    E                    A  
and I just want you back by my side.

## Bridge

B<sup>maj7</sup> E<sup>maj7</sup>                    B<sup>maj7</sup>                    E<sup>maj7</sup>  
I can't help it honey, you're that much a part of me now.  
B<sup>maj7</sup>                    E<sup>maj7</sup>  
Remember the night in Montana  
D                    | E | G | D | A | A |  
When we said there'd be no room for doubt.

## Verse 3

A                    D                    E                    A  
I hope you're enjoyin' the scenery, I know that it's pretty up there.  
A                    D                    E                    A  
We can go hikin on Tuesday, with you I'd walk anywhere.  
Bm                    D                    E  
California has worn me quite thin, I just can't wait to see you again.

## Chorus

D                    A                    D                    E  
Come Monday It'll be all right, Come Monday I'll be holding you tight.  
A                    C#m                    D                    E  
I spent four lonely days in a brown L.A. haze  
D                    E                    A  
and I just want you back by my side.  
A                    C#m                    D                    E  
I spent four lonely days in a brown L.A. haze  
D                    E                    | G | D | A |  
and I just want you back by my side.
