Louie, Louie, Oh Oh, We gotta go.

Louie, Louie, Oh Oh, We gotta go.

## **Verse 1**

A fine little girl, she waits for me.

I sail the ship across the sea,

I sail this ship I'm all alone,

I never think I'm gonna make it on home.

## **Chorus**

## **Verse 2**

Three days and nights I sail the sea,

Think of my girl constantly,

I'm on this ship I dream she's there,

I smell the roses that are in her hair.

## **Chorus**

## **Guitar Solo**

## **Verse 3**

I see Jamaica moon above,

Won't be long till I see me love

I take her in my arms and then,

I never, never gonna see her again.

## **Chorus**
