

# Takin Care of Business

Bachman Turner Overdrive

## Intro

C Bb F C (never changes)

## Verse 1

You get up every morning, from your alarm clock's warning  
Take the eight fifteen into the city  
There's a whistle up above, and people pushin', people shovin'  
And the girls who try to look pretty  
And if your train's on time, you can get to work by nine  
And start your slaving job to get your pay  
If you ever get annoyed, look at me I'm self employed  
I love to work at nothing all day  
And I'll be

## Chorus

Taking care of business every day  
Taking care of business every way  
I've been taking care of business it's all mine  
Taking care of business and working overtime  
Work out

## Guitar Solo

## Verse 2

If it were easy as fishin' you could be a musician  
If you could make sounds loud or mellow  
Get a secondhand guitar, chances are you'll go far  
If you get in with the right bunch of fellows  
People see you having fun, Just a lying in the sun  
Tell them that you like it this way  
It's the work that we avoid, and we're all self employed  
We love to work at nothing all day  
And we'll be

## **Chorus**

Taking care of business every day  
Taking care of business every way  
I've been taking care of business it's all mine  
Taking care of business and working overtime  
Work out
